CASEY COVE ESTATES, TAMPA, FL

Experience a higher level of luxury in this custom crafted, richly detailed Carrollwood area home. Enter to an expansive and inviting floor plan with captivating 10' ceilings, columns and engineered hardwood flooring throughout (except tiled bath and laundry room.) Leaded glass entry doors, extensive crown moldings, a generous gathering room with waffled tray ceiling, 8' solid core interior doors, plantation shutters, exceptional cabinetry, luxury master bath and chef inspired island kitchen all combine to serve the palpable difference between custom quality and today's more typical tract built options. Beyond the many quality, builder features, you are sure to appreciate the seller added Plantation shutters, surround sound, exceptional plumbing fixtures, and exquisite lighting and fans found throughout. The original kitchen granite yielded to Level 4 Caesarstone quartz counters (also featured throughout the home.) New awe inspiring backsplash, a Franke granite farm sink, Moen Professional touchless faucet, Wolf gas cooktop and GE Profile series built-in oven/microwave were also added. In support of outdoor utility and enjoyment, you will love the large paver lanai and expanded deck that surrounds the salt water pool. It is covered by a 55' birdcage equipped with panoramic super screens and built in crossbeam Nebula lighting. A more than 700 sq ft 3-car garage, multi car paver driveway, water softener and Generac whole house generator complete this exceptional property.

In this high demand Tampa location, it is VERY RARE to find newer, custom crafted homes. In its price range, with its abundant space and spectacular finishes, this is a stand alone opportunity not to be missed. (Realtors please see additional Realtor remarks.)
